HOME STRETCH

EVENT SPONSORSHIP

HELP US COMPLETE RODEO CREEK COURT...

At Rodeo Creek Court (RCC), we have proudly completed eight homes since breaking ground in August of 2020. It is an exciting time at RCC, **as we enter the *Home Stretch*** with a goal to complete the last three homes by the summer of 2024. Help us get there!

HABITAT HOMEOWNERS

Habitat homeowners are everyday hardworking people struggling to afford a home in the community they love. Among RCC homeowners, there are 4 teachers, a disabled Navy veteran, 5 single parent households, and 2 families who lost their rentals in the CZU fires. What they have in common is a need for stable affordable housing.

WHO WE ARE

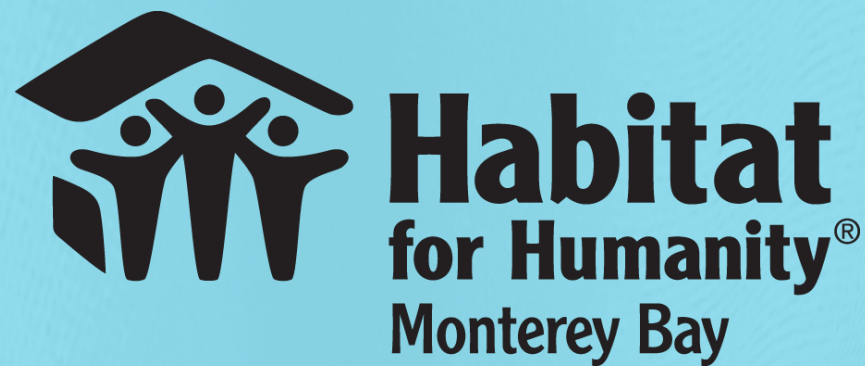

Habitat's mission is to build decent, affordable homes and provide homeownership opportunities to qualified families who live and work in Santa Cruz and Monterey Counties.

Our vision is to bring people together to build homes, communities, and hope.
